1970 Dodge Coronet R/T

Wayne Barfield • RF Henry Tile Co.

I bought this car for \$150 from an individual who found it at a junkyard. It had a bullet hole in the roof and a county sheriff sticker in the back window. It has a 440 engine with a 4-barrel carburetor and automatic transmission.

The ECB® Kit contains a 1'x50' roll of ECB® membrane while the Large Tile Kit has a 2'x25' roll. Both kits include a pint of primer, primer brush and a utility knife.</p> 					

1970 Mach 1 Mustang
Sam Fetter • Fetter Tile, LLC
 The Mach 1 is Wimbledon White with a 351 Windsor and includes factory air, shaker, tach, spoilers, Magnum 500's, automatic and louvers. When I bought this car in 1987 it had been wrecked and survived a flood which left 2 inches of mud covering the floorboards. After total disassembly and 14 months of hard work out of a 2-car garage, the Mustang has been revived to drive.

Did you know **ECB@ 75** anti-fracture membrane has been sound tested and achieved an IIC of 65* and STC of 67*? In addition to sound control capabilities, **ECB@ 75** also provides crack isolation up to 1/4" lateral movement and is available in 3'x75' rolls. (*tested on 8" slab with SRCA)

1929 Model "A" Roadster

Don Halvorson • Forensic Tile Consultant

This rare 'open cab' is basically all original. It was framed up in 1975 by the previous owner and then sat in a warehouse for at least 10 years. I acquired the pickup in March 2012 and replaced the water pump, starter, generator, fuel gauge, speedometer and will replace the engine soon. There is no end to proper restoration; however my grandkids love the ride.

30	31	Did you know the Extreme Deck Kit provides a double layer of waterproof protection for exterior decks and balconies in the convenience of a kit? The Extreme Deck Kit contains NAC TAC primer, SubSeal® liquid waterproof membrane, seam tape, preformed corners and polyurethane sealant. When combined with two rolls of Strataflex sheet membrane, the Extreme Deck Kit contains everything needed to cover a 300 Sq. Ft. deck.				

1969 Camaro

Lou Giannini • Pro Tile Distributors

My Dad bought me this while I was in High School. It's the original Marina Blue color with upgrades like a 350 motor (blew up the original), stainless steel disc brakes, electronic ignition, new heads and manifold. It has 71,000 miles and I drive it 4 times a year. Same car/same girlfriend since 1970!

APRIL 2014

Did you know **SubSeal®** liquid waterproof membrane can also function as a stand alone crack suppressant and moisture barrier for hard surface, resilient and wood flooring? **SubSeal®** is a one part, ready-to-use elastomeric membrane suitable for interior and exterior use and is a main component of the Extreme Deck System.

1937 Lincoln Willoughby Touring

Dave Johnson • Summitville Tiles, Inc.

This hand built, custom bodied car is one of only eight made in 1937 and was originally owned by the Governor of California. I purchased this car in 2000 and restored it to its present day "show car" standards.

MAY 2014

Did you know **Super SAM™ 125** is the most effective "all-in-one" membrane on the market today? **Super SAM™ 125** is about 1/8' thick and is engineered for use without a sound rated ceiling assembly. **Super SAM™ 125** has a light commercial/residential load rating and is composed of modified elastomers, sound deadening resins and reinforced woven fibers.

www.nacproducts.com • (800)633.4622

1963 Lincoln Continental

Dave Boyzee • Tiling Trade Supplies Ltd.

I bought this car in Wisconsin and updated several things including 20" mag wheels on airbags, customized dash with Rockford Fosgate sound system and new black leather interior. It arrived in New Zealand in March of 2013.

JUNE 2014

Did you know **Strataflex** waterproofing sheet membrane also provides crack isolation protection up to 3/8"? **Strataflex** also features a 2" double stick lap joint that creates a watertight seal. **Strataflex** can be used for indoor and outdoor applications and is a main component of the Extreme Deck System.

1965 Ford Mustang
Stacy Moore • Broadway Flooring, Inc.
 This 1965 Ford Mustang is Rangoon Red with a white deluxe interior. The engine is a C-code 289 2V with a C4 automatic transmission. The car is equipped with a special handling package, visibility option, power top, rally-pac and dealer installed fog lights.

JULY 2014

Did you know **NAC TAC** (Blue) can be used for interior and exterior applications while **NAC TAC II** (Green) is for interior use only? The primers are NOT freeze/thaw stable. **NAC TAC** and **NAC TAC II** primers are necessary components of NAC Systems and are required in order to meet minimum shear strength mandates by ANSI A118.10 for load bearing, bonded waterproof membranes.

1955 Chevy Bel Air

Mark James • Louisville Tile Distributors

I am the third owner of this car. I purchased it mid-restoration. It was disassembled in 1988 and completed in 2008. We restored it to the original engine, interior, and exterior down to the Glacier Blue/Skyline Blue paint. The tires and wheels are for cruising only.

OCTOBER 2014

Did you know **ECB® Classic** is the original anti-fracture membrane? Brought to market in 1983, **ECB® Classic** provides crack isolation up to 3/8" and is available in 1'x50', 2'x50' and 3'x50' rolls.

1967 Thunderbird

Steven Daugherty

Steven M. Daugherty Contractor, Remodeling

I am the third owner of this car (purchased in 2005). It has the 'body' styling (tool compartment) with tilt-away steering wheel, air, power windows, 'suicide' doors, retractable headlights and unique sequential rear turn signals. The vinyl roof and interior are original. I did a total mechanical restoration including a 390 cubic inch V8 engine and a C3 Ford automatic transmission and I repainted it the original 'Thunderbolt White'.
